

Dear colleagues!

ATOMEKC

State Corporation ROSATOM invites you to take part
in the VI International Forum of Nuclear Industry
Suppliers ATOMEX 2014!

POCATOM

October 29–31, 2014, Moscow, Expocenter

The International Forum ATOMEX is the main communication platform for a meaningful dialog between nuclear industry suppliers and customers.

The purpose of the Forum is to increase the number of suppliers, goods and services for the nuclear industry and development of open cooperation practices with suppliers.

It is a unique opportunity for the companies to demonstrate their products and services to managers and purchasing agents of main enterprises of the nuclear industry and to start an open meaningful dialog with them during B2B meetings!

Make it to reserve an EXHIBITION AREA in time before AUGUST 31, 2014 to pay a special price!
