

AMEC plc is a focused supplier of high-value consultancy, engineering and project management services to the world's natural resources, nuclear, clean energy, water and environmental sectors. With annual revenues of over £2.5 billion, AMEC designs, delivers and maintains strategic and complex assets for its customers. The company employs over 21,000 people in around 40 countries worldwide.

AMEC has worked in the nuclear sector since the birth of the industry almost 60 years ago and today employs over 2,000 specialists in this field. Our projects have spanned the entire lifecycle of complex nuclear assets, from building and refurbishing nuclear assets, reactor / operational support to clean-up / decommissioning and waste management.
