

NH Constanza****

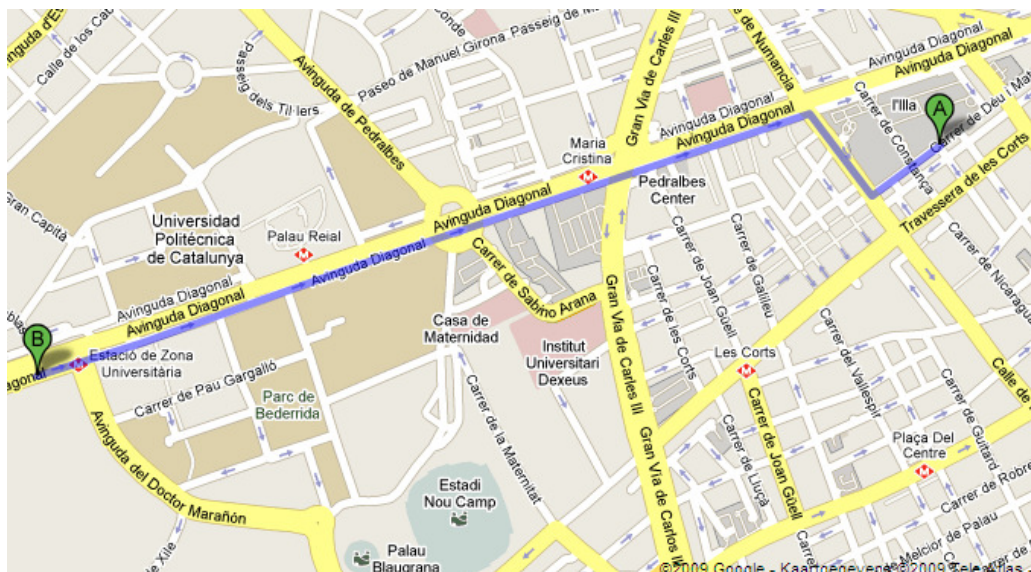

The NH Constanza is a recently built hotel and the unique design is the work of world-renown architect Rafael Moneo. Characteristic are the bright and spacious rooms, avant-garde interiors and contemporary art. Combined with professional service we can assure our guests an excellent stay. Enjoy the entertaining atmosphere of the park at the Illa side of the hotel, an excellent mix of design and nature. Indulge at one of the terraces for a cup of coffee or a simple lunch.

Their fresh restaurant "Nhube" by top chef Adriá offers a blend between culinary tradition and fine cuisine. It will not stop to amaze you! Be prepared to taste Catalan kitchen with the touch of a maestro. All this topped of with a visit to our "Elysium" spa & wellness center will make sure you never want to leave the NH Constanza hotel.

The hotel rooms are fully equipped and arranged for a comfortable stay and a careless sleep. The style of the hotel continues in the design of the room, mixing modern aspects with natural elements such as wood and stone.
