

ENC 2014

The European Forum to discuss Nuclear Technology Issues, Opportunities & Challenges

11 - 14 May 2014, Marseille, France

Call for Papers

ENC 2014 provides a platform for the nuclear science community to share their experience and to learn about the latest developments going on in nuclear research and their practical applications. It will furthermore exploit synergy among scientists, industry representatives, policy-makers and citizens on wider societal issues that impact upon how the nuclear science community carries out its work.

ENS and the ENC 2014 Programme Committee are now calling for abstracts in the following areas:

- **Plant operations**
- **Education, training and knowledge management**
- **The fuel cycle**
- **Reactor technologies**
- **New Build**
- **End of Use management**
- **Life science applications**
- **Non-power industrial applications**
- **Nuclear in the civil society**

Upload your abstracts before 31 October 2013
on www.enc2014.org
