

Securing the Future – The Role of Nuclear Energy

21 st March 2006		BUILDING ON INTERNATIONAL EXPERIENCE	
Time	Item		
07:30 – 08:45	Registration at the QEII Conference Centre		
08:45 – 10:30	Setting the Scene Session Chair – Richard Mayson, Chair of the Scientific Committee 08:45 – 09:00 Introduction & Welcome by Sue Ion, BNES President 09:00 – 09:25 Plenary Address by Malcolm Wicks, MP, UK Energy Minister 09:25 – 09:45 “Industrial perspective on the UK energy market” John Roberts, CEO, United Utilities PLC 09:45 – 10:05 “Progress in Finland – First New Western Reactor in a Decade” Paavo Lipponen, Speaker of Finnish Parliament and ex-Prime Minister 10:05 – 10:25 “Progress in Finland – Perspective from TVO” Martti Katka, Senior Advisor, TVO Q&A		
10:30 – 11:00	Break & viewing of the exhibition		
11:00 – 13:00	Operational Experience and Prospects for New Nuclear Build Session Chair – Peter Hirt, Swissnuclear 11:00 – 11:20 South Korea - Joong-Jae Lee, CEO, KHNP 11:20 – 11:40 France - Pierre Gadonneix, CEO, EdF 11:40 – 12:00 Japan - Takao Fujie, Executive Adviser to the President, JAPC 12:00 – 12:20 China - Huang Guojin, Vice President, China National Nuclear Corporation 12:20 – 12:40 US - Steve Tritch, CEO, Westinghouse 12:40 – 13:00 - Peter Wells, CEO, GE Nuclear Energy		
13:00 – 14:00	Lunch & viewing of the exhibition		
14:00 – 15:30	Progressive Worldwide Developments covering Politics, Technology & Operation Session Chair – Holger Rogner, IAEA 14:00 – 14:20 Canada - Dave Torgerson, Senior Vice President, AECL 14:20 – 14:40 Switzerland - Peter Hirt, President, Swissnuclear 14:40 – 15:00 South Africa - Alec Erwin, Minister for Public Enterprise, South Africa Q&A		
15:00 – 15:30	Break & viewing of the exhibition		
15:30 – 16:30	Panel Discussion (Technical issues of operational experience, new build and future plans). 10 minute presentation by Panel Chair Richard Mayson, BNFL . Followed by discussion with panel members Peter Wells, Dan Lipman, and Dave Torgerson		
18:30 – 20:30	BNFL sponsored reception at Two Temple Place with welcome address by Mike Parker, CEO of BNFL plc.		

22nd March 2006	OPPORTUNITIES AND CHALLENGES – THE WAY FORWARD
Time	Item
08:45 – 11:00	Opportunities & Challenges Session Chair - Regis Matzie, Westinghouse
08:45 – 09:05	“An operator’s perspective on the role of nuclear generation in a deregulated market” by Bill Coley, CEO, British Energy
09:05 – 09:25	“An view of global developments in nuclear energy from the perspective of Areva” by Guillaume Dureau, Senior Vice-President Strategy Dept , Areva Q&A
09:30 – 09:50	Waste Management (i) - Philippe Pradel, Director, Nuclear Energy, CEA
09:50 – 10:10	Waste Management (ii) - Tommy Hedman, Director of Technical Department, SKB
10:10 – 10:30	Security & Safeguards - Anita Nilsson, Head Office of Nuclear Security, IAEA
10:30 – 10:50	Risk Perception - Ragnar Lofstedt, Director of Risk Management, King’s College London Q&A
11:00 – 11:30	Break & viewing of the exhibition
11:30 – 13:00	Opportunities & Challenges Session 2 Session Chair – Romney Duffey, AECL
11:30 – 11:50	Regulator’s Perspective - Justin McCracken, HSE, Deputy, Chief Executive (Operations)
11:50 – 12:10	Finance - Roger Ewart-Smith, Managing Director, N M Rothschild & Sons
12:10 – 12:30	Markets - Robin Smale, Consultant, Oxera
12:30 – 12:50	Environment - James Lovelock, Environmentalist Q&A
13:00 – 14:00	Lunch
14:00 – 15:00	Advanced Gas-cooled Reactors Session Chair – Pierre Frigola, EC
14:00 – 14:20	South Africa - Dieter Matzner, General Manager Power Plant Division, PBMR
14:20 – 14:40	US - Jim Lake, Associate Laboratory Director for Nuclear Programs, Idaho National Laboratory
14:40 – 14:55	- David Baldwin, Senior Vice-President, Energy Group, GA
14:55 – 15:15	France - Jean-Claude Gauthier, Senior Vice-President HT/VHTR, Areva
15:15 – 15:45	Break & viewing of the exhibition
15:45 – 17:15	Panel Discussion (policy, public perception, economics and socio-economics) with 5 minute presentation from panel members followed by open discussion Ragnar Lofstedt as Chair (King’s College London), Sally Roe, (Freshfields Bruckhaus Deringer), James Leek (Ernst & Young), Peter Waller (DTI), Stan Gordelier (NEA) and Malcolm Grimston (Imperial College London)
19.30 10:30 finish	Cocktail reception and conference dinner at the Science Museum <i>The pre-dinner cocktail reception is graciously sponsored by Freshfields Bruckhaus Deringer The dinner is graciously sponsored by GE (General Electric)</i>

23rd March 2006		PRODUCTS TO SECURE THE FUTURE	
Time	Item		
08:45 – 11:00	Advanced Reactors & Project Delivery Session Chair – Sue Ion, BNFL		
08.45 – 09.10	“Experience in nuclear projects and engineering” Jim Wright, Strategy & Business Development Director, AMEC-Nuclear		
09:10 – 09:30	AP1000	- Dan Lipman, Senior Vice-President, Nuclear Power Plants, Westinghouse	
09:30 – 09:50	EPR	- Jean-Baptiste Des Escotais, Senior Vice President – Business Development, Areva	
09:50 – 10:10	ACR	- Jerry Hopwood, General Manager Product Applications, AECL	
10:10 – 10:30	IRIS	- Regis Matzie, Senior Vice President, Westinghouse	
10:30 – 10:50	ESBWR	- Peter Wells, Nuclear Marketing Manager, GE	
	Q&A		
11.00 – 11:30	Break & viewing of the exhibition		
11:30 – 12:30	Future Direction and Generation IV Session Chair - Richard Mayson, Chair of the Scientific Committee		
11:30 – 11:50	IAEA’s INPRO initiative	- Akira Omoto, Director Nuclear Power Division, IAEA	
11:50 – 12:10	Generation IV	- Jacques Bouchard, CEA	
12:10 – 12:30	EU Activities	- Roland Schenkel, Director General, JRC	
12:30 – 12:50	Japanese Activities	- Satoru Kondo, JAEA	
12:50 – 13:00	Closing Speech	- David Bonser, Vice-President, ENS	
13:00 – 14:00	Lunch		
14:00	Close
