

TopSeal 2006

Olkiluoto, 17-20 September 2006

SECOND ANNOUNCEMENT & CALL FOR PAPERS

About TopSeal

TopSeal is the tri-annual conference on waste management organised by the European Nuclear Society. Previous editions took place in 1996 (Stockholm) and Antwerp (1999). TopSeal provides an excellent opportunity for all professionals working in the field of nuclear waste management to meet face to face, exchange expertise, and discuss state-of-the-art issues.

The meeting is especially important for nuclear engineering designers, plant operators, safety assessment experts, rock construction experts, experts in geosciences and regulators.

TopSeal 2006 is supported by the Finnish Nuclear Society and the OECD Nuclear Energy Agency, and graciously hosted by Teollisuuden Voima Oy and POSIVA Oy at Olkiluoto.

Call for Papers

The TopSeal 2006 Programme Committee is calling for contributions in the following areas:

- * **Experiences with existing LLW/ILW storage and disposal facilities:**
Design, construction, licensing, operation and upgrading
- * **Planned activities for geological and near-surface repositories:**
Design, construction and licensing of facilities for all waste types
- * **Research, development and demonstration for radwaste storage and disposal:** *Repository systems: Technologies and operation/long-term safety demonstration*
- * **Stakeholder involvement, regulatory aspects and related issues**

Instructions for Authors

Authors should submit a one page, DIGITAL copy ONLY of a 400 word abstract in English and in Word format by

10 June 2006

Please use the abstract form on <http://www.topseal2006.org>.

Authors will be notified of their paper's acceptance by **10 July 2006**. If submitted on time, all contributions will be included in the conference proceedings (Transactions). The final paper is expected on **15 August 2006**.
