- Regulatory issues and legislation

Working language – English and Bulgarian.

Authors information:

The authors should submit extended abstracts up to 2 pages (maximum 8000 symbols) not later than 30.09.2011. The abstract should contain: 1) paper title, 2) five keywords in order of importance, 3) authors' names and full addresses, 4) name, address, phone, fax and e-mail of the author to whom subsequent correspondence should be directed. The abstract should state clearly the background, objectives, results and conclusions. It may contain figures, tables and pictures.

The Organizing Committee will inform you for acceptance of your paper for oral or poster presentation.

Young Authors' Competition for Best Presentation:

The young authors who would like to take part in Competition for Best Presentation (first author under 35) must indicate this in Participation Form.

The papers for the competition will be reviewed and evaluated by special Competition Commission. Six of the presented papers will be selected for oral presentation on the conference. The best three presentations elected by both, the participants and Competition Commission will be awarded. The rest papers could participate in the competition for best poster award.

Deadline information:

⇒ Application of Participation form and Abstracts	30.09.2011
⇒ Notification of acceptance	15.10.2011
⇒ Competition Commission notification	28.10.2011
⇒ Full Papers submission	10.11.2011

Registration Fees:

Registration fee is 300 EUR.

Early, before 30.09.2011, Registration fee is 250 EUR.

Accompanying person fee is 70 EUR. It covers Welcome reception, Gala dinner and excursion.

Registration fee should be paid via bank transfer: Bulgarian Nuclear Society, UniCredit Bulbank, and IBAN – BG92 UNCR 7630 1208 9962 05, BIC UNCRBGSF.

Location:

The town of Bansko has both historical and tourist value. The town rose up on its present location around 9-10th centuries. In the middle of 18th century Bansko was big and rich settlement developing crafts and trade. At present it is the most famous Bulgarian ski resort.

The Pirin national Park is the largest protected site in Bulgaria with total territory of 40455.9 ha, 36% of which are within the borders of Bansko Municipality. Because of its unique natural resources, the park is included in the list of monuments compiled at UNESCO according to the Convention for preservation of the world cultural, historical and natural heritage.
